

MARCH BOOK GROUP

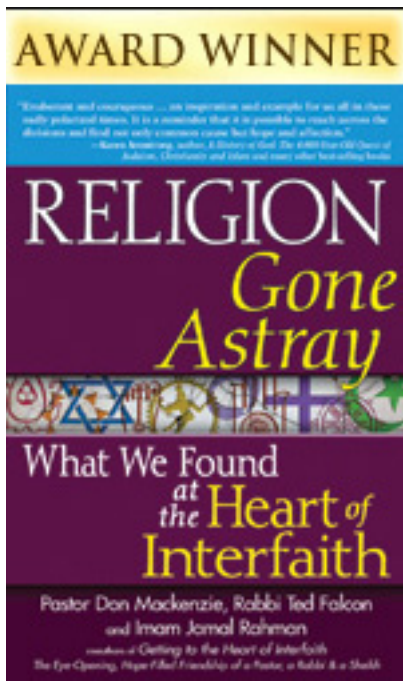

INSPIRED READING

Wednesday March 14, 6:30PM at ASIG

An opportunity to reflect on inspirational literature that opens our minds and hearts to possibilities!

A light meal of soup and bread is provided- simply come and join in the conversation!

March's book:

Expanding on the conversation started with their first book, the Interfaith Amigos—a pastor, a rabbi and an imam—probe more deeply into the problem aspects of our religious institutions to provide an understanding of the nature of what divides us. They identify four common problem areas in the Abrahamic faiths:

Exclusivity: Staking Claim to a One and Only Truth

Violence: Justifying Brutality in the Name of Faith

Inequality of Men and Women: The Patriarchal Stranglehold on Power

Homophobia: A Denial of Legitimacy

They explore these issues and the ways they are used as divisive weapons. And they present ways we can use these vulnerabilities to open doors for the collaboration required to address our common issues, more profound personal relationships, and true interfaith healing.
